### 1.1 - Port Use and Security Review

During the external vulnerability scan, a set of listening ports were detected. In the table below, document the business justification for the ports. Also indicate whether the ports use a secure protocol.

| Port     | Business Justification            | Protocol Secure | Security Feature Documented |
|----------|-----------------------------------|-----------------|-----------------------------|
| 4444/TCP | Third party partner communication | No              | No                          |
